## How can I make my wedding eco-friendly?

Our building has energy-efficient features including solar panels and geothermal temperature controls to reduce the carbon footprint of your event. Our bar service offers rentable glassware and takes care to recycle containers. Our venue cares about the environment and your rental fee helps support the Center's mission of conservation and environmental education.

## What is the cost to rent tables and chairs?

Prices vary by guest count. Please inquire for sample estimates.

## Can I put a hold on a wedding date even if I'm not ready to book yet?

To ensure fairness, we cannot offer "soft holds" on wedding dates.

Date reservations require a 50% deposit of the rental fee and signed rental contracts.

## How early do I need to book my wedding?

Most weddings book 1-1.5 years in advance, but we are flexible and happy to work with your timeline. We have had beautiful events book anywhere between 3 months in advance up to 2 years in advance.

## What does your staff take care of the day of the event?

We assist with ceremony procedures, welcome guests to cocktail hour and ensure the building is comfortable, clean and lit to your liking throughout the event. We coordinate with all your vendors to ensure the event runs smoothly. Our bartenders supply drinks and clear drinkware. Our venue offers many decor options and will set these items up for you (but does not handle set up of decor from outside vendors or DIY items). Our event host will help direct vendors and guests until the event ends.

## Do I have to be a member of Schlitz Audubon to host my wedding here?

If you are a Schlitz Audubon Nature Center Member, welcome back! We are so glad you fell in love with our land and feel this is the right venue for your celebration! If you are not, good news: your venue booking will include your first year of membership at no charge. We'll send you membership information shortly after we receive your contracts. *\*Valid on first year of membership only; not valid for renewals or discounts and not transferrable.*

"I could not dream up a more perfect wedding venue than Schlitz Audubon Nature Center. . . Beautiful indoor space for the reception that requires minimal decoration because it's gorgeous in its own right. "

- Emily, September Bride via *The Knot*

"We switched to the backup rain plan and got married on the porch. We would not change a thing. The colorful leaves, the sound of rain on the roof, and the lights on the porch made our ceremony absolutely magical. "

- Joe, October Groom via *WeddingWire*

"My fiance and I couldn't be happier with Schlitz Audubon as our wedding venue. The events team was very responsive and flexible as we planned our winter, indoor wedding. . . You can add string lights and a visit from the birds of prey from their raptor program for a nominal extra cost. They were extremely professional and the best part is they're a nonprofit so the money you spend goes to a great cause!"

- Rachel, February Bride via *The Knot*
